## GERMANS UNABLE TO CHECK BRITISH ADVANCE

ALEXANDER, NEW KING OF GREECE, IS ANTI-GERMAN

Alexander, the new king of Greece, whose favor King Constantine abdicated is nearly three years junior to his brother George, having been born Aug. 1, 1893. He is known to have unrestrained admiration for Venizelos and is believed to be intensely pro-entente.

The "difficult situation" between King Constantine and the allies developed from three distinct causes—the alleged pro-German attitude of Constantine, whose wife is a sister of the German emperor; the fact that three of the entente powers are guarantors of Greek constitutional liberty and the fact that the Greek-Servian treaty of March, 1913, which Constantine violated, pledge the support of either power if the other were attacked by Bulgaria.

In the picture the upper left is

General Haig's Forces Continue to Press Forward and Campaign Now Gives Signs of Developing Into Most Important of the War.

Germans Unable to Resist Pressure Continually Applied to Them Are Forced Back at Comparatively Rapid Rate.

Evidence of a Still Further and More Pronounced Retreat by the Germans is Increasing. Many Prisoners and Big Guns Taken.

(By Associated Press)

THE British campaign in Belgium gives signs of developing into one of the most important of the war. The Germans apparently are unable to resist the pressure being constantly applied to them and are being forced back at a comparatively rapid rate.

Today brings the announcement of another considerable advance by the British in this area. They attacked last night in the region south and east of Messines and on both sides of the Ypres-Comines Canal, gaining all their objectives and capturing one big gun and seven machine guns, together with 150 prisoners.

Last night's attack yielded General Plumer's troops the German front trenches between the Warnave and the Lys rivers, besides additional ground more to the north, the official statement indicates.

Signs of a probable further retreat of the Germans are not wanting. Correspondents have reported the withdrawal of the German big guns in the area east and southeast of Messines, to the extreme limit of their range. The British artillery commands the situation.

## 100,000 PRISONERS TAKEN BY THE BRITISH FORCES

London, June 15.—(Associated Press Cable)—More than 100,000 prisoners have been taken by the British during the war, James I. MacPherson, Parliamentary Secretary to the War Office, announced in the House of Commons today.

Up to the end of last May, 76,067 prisoners were taken on the Western front, to which must be added at least 8,000 for the month of June.

In Mesopotamia, 10,900 prisoners have been taken since July 1, 1916. In Egypt, the number of prisoners taken since July 1, 1916, is approximately 5,739. The territory regained by the British on the Western front since July 1, 1916, amounts to 600 square miles.

## SENATE TO INVESTIGATE BUILDING PLANS

Washington, June 15.—(Associated Press Dispatch)—Senator Sterling today introduced a resolution authorizing the Senate Military Committee to investigate the erection of buildings to be used by the soldiers in the training camps.

The committee is asked to ascertain the cost of the cantonments, the wages of carpenters and other laborers and the price paid for the materials. Senator Sterling's resolution further asks the committee to obtain information of the kind and character of the buildings; nature of the contracts and what guarantees were obtained.

Inquiry into the amount paid for materials compared with the average price also is asked.

Because of the short time for building the military camps, competitive bids have not been asked and contracts have been let on the basis of cost plus a percent of profit for the contractors.

It has been alleged in some instances that contractors paid extortionate prices to raise their profits.

## VIOLENT EXPLOSION OCCURS IN AETNA POWDER PLANTS

BIRMINGHAM, ALABAMA, JUNE 15.—(ASSOCIATED PRESS DISPATCH)—AN EXPLOSION OCCURRED AT THE PLANT OF THE AETNA POWDER COMPANY, ON THE OUTSKIRTS OF THE CITY, ABOUT 11 A. M. TODAY.

ALL TELEPHONES TO THE PLANT ARE OUT OF COMMISSION AND DETAILS OF THE ACCIDENT ARE LACKING.

## LIBERTY BOND LOAN IS OVERSUBSCRIBED PATRIOTISM SUPREME

By Associated Press Dispatch.

Washington, June 15.—The Liberty loan has been tremendously oversubscribed.

When the books closed at noon today, Treasury officials estimated that the total would reach at least \$2,500,000,000 and might soar to \$3,000,000,000.

Every Federal Reserve District, with the exception of Atlanta and Kansas City, appeared to have exceeded its minimum allotments. Reports from these two districts were slow in coming in.

With thousands of banks to be heard from in the two districts, however, it seemed likely that the minimum allotment would be reached in each case.

Reports by telephone and telegraph from every section of the country told of an avalanche of small subscriptions at the last moment. Scores of small investors were standing in line at hundreds of banks throughout the country during the final hour.

The small subscriber apparently had responded with an enthusiasm that exceeded the most sanguinary hopes of officials.

The clerical forces of virtually every Reserve bank were practically buried under a landslide of eleventh hour subscriptions. Because of this situation, the exact total subscription may not be measured for several days.

San Francisco started the day with a sensational advance from its previous report of \$52,000,000. The first thing officials heard this morning was that instead of being approximately \$58,000,000 under its minimum allotment, the district was nearing the minimum and probably would take its quota.

Districts in which are located the great industrial plants of the country reflected a tremendous demand for the so-called baby bonds. The \$50 issue will be by far the most popular, it is believed.

The total number of subscribers to all denominations, it was estimated, will exceed 2,500,000. This is ten times the number of persons in the entire nation that hold securities of any sort.

Every community flying the American flag, from the Philippines to the Virgin Islands, subscribed to the loan. Fairbanks, Alaska, the most northern town on the continent sent a generous subscription. From the Panama Canal zone subscriptions totaled \$250,000.

### M'ADOO PLEASSED

Secretary McAdoo, in announcing the oversubscription of the loan, said: "The success of this loan is a great triumph for democracy. It is the unmistakable expression of America's determination to carry on this war for the protection of American rights and the re-establishment of peace and liberty throughout the world to a swift and successful conclusion."

Secretary McAdoo, in announcing the oversubscription, also said he did not think there would be another offering of the remaining three billion dollars authorized by Congress before this fall.

## OHIO CITIES

Cleveland, O., June 15.—Figures at noon showed that all the large cities in the Cleveland district have sur-

passed their quota to the liberty loan. Pittsburgh subscriptions indicate a total of \$75,000,000, against a quota of \$50,300,000.

Cleveland has \$62,000,000, against a maximum allotment of \$45,000,000; Cincinnati reports \$25,000,000 on its allotment of \$17,170,000;

Youngstown turned in \$6,500,000 for its allotment of \$3,660,000;

Columbus reports \$7,200,000 for its quota of \$5,140,000;

Toledo turned in subscriptions over its quota of \$8,300,000.

## WAR BUDGET IS SIGNED

By Associated Press Dispatch.

Washington, June 15.—President Wilson today signed the three billion dollar war budget, which carries appropriations for the new Army and other war appropriations.

It is the largest single appropriation measure ever enacted by any government.

## CHANGE INCOME TAX MEASURES

By Associated Press Dispatch.

Washington, June 15.—An income tax exemption allowance of \$200 for each dependent child of a taxable parent, and reduction of the two cent stamp tax on bank checks to one cent, were decisions reached today by the Senate Finance Committee revising the war tax bill.

## CLINTON COUNTY OVERSUBSCRIBED

By Associated Press Dispatch.

Wilmington, O., June 15.—Clinton county's subscription to the Liberty loan was announced today as \$383,950. This is \$12,950 over the Government allotment of \$370,000.

### TWO NEGROES KILLED

By Associated Press Dispatch.

Birmingham, Ala., June 15.—The press room of the black powder mill of the Aetna Explosive Company, near North Birmingham, was demolished today by an explosion.

Two negroes were killed and another injured. The property damage was negligible.

## SIX DOLLAR DAY ASKED BY MINERS

By Associated Press Dispatch.

Butte, Montana, June 15.—A committee from the recently organized Metal Mine Workers' Union, whose demands have been refused by employers, expected to see United States District Attorney B. K. Wheeler today and ask him to request President Wilson to send a representative of the Department of Labor to Butte to investigate working conditions in the mines.

The new union's demands are for recognition of the union, six dollars a day for underground workers, examination of the mine's monthly and improved working conditions.

Several mines that were shut down because of the fire in the North Butte Mining Company properties resumed work today. It is said by mining men that at least 3,000 miners in Butte are idle.

## SINN FEINERS TO CONTEST FOR REDMOND'S PLACE

(Associated Press Cable)

London, June 15.—The Sinn Fein members of East Clare have decided to contest the seat in Parliament vacated by the death at the front of Major William Redmond.

### SUBMARINE TOLL FOR WEEK LIGHT

Paris, June 15.—(Associated Press Cable)—Four French ships of more than 1,600 tons, one under that size, and three fishing boats were sunk by mines or submarines during the week ending June 14.

Six ships were unsuccessfully attacked during the same period, while 1,034 vessels of all nations entered French ports and 1,015 left.

They have chosen as candidate Edward De Valera, formerly a professor in Dublin University and sentenced to death for his connection with the recent revolt.

His sentence was commuted to penal servitude for life and he is now in jail.

## GERMAN AGENTS BUY QUANTITIES OF CONDENSED MILK

By Associated Press Dispatch.

Washington, June 15.—Large quantities of condensed or evaporated milk have been bought recently at retail by German agents and shipped to Germany through neutral ports, the Department of Commerce was informed today by the war committee of the condensed milk industry.

Fearing detection if they purchased from manufacturers or jobbers, the German agents have canvassed retail stores and paid retail prices.

In some communities, where milk producers were of German descent, dealers have been told that the milk purchased was intended for Germany, it is said.

## LANSING RECEIVES OUR GUEST

By Associated Press Dispatch.

Washington, June 15.—Lord Northcliffe, co-ordinating head of all the British war missions in this country, paid an official call today on Secretary Lansing.

Lord Northcliffe explained that he had been designated by the British War Council as the head of all the special British missions, with full power to direct their activities, negotiate with American officials and report to the various ministries at home.

Lord Northcliffe arranged today to see President Wilson shortly. His visit here is intended to be brief and largely for the purpose of preliminary acquaintance with officials. He is anxious to return to his headquarters in New York as soon as possible.

## TRAINING CAMP CONDITIONS GOOD

By Associated Press Dispatch.

Washington, June 15.—Admiral Benson, chief of naval operations, after a personal inspection of the Great Lakes training station at Chicago, has reported to Secretary Daniels that conditions are very good and the morale excellent. Complaints had been made that the men were badly cared for.

# 200 BOYS AND GIRLS ENJOY BIG PICNIC THURSDAY

More than two hundred boys and girls of the county, members of the Boys' and Girls' Clubs and their guests, enjoyed the unusually bright weather, Thursday afternoon as picnickers on the Fair Grounds, the first annual out-door get-together meeting the entire organization has ever enjoyed.

Mr. W. H. Palmer, State Leader of the Boys' and Girls' Clubs gave an interesting talk, explaining the plans and work of the state organization. Miss Reva Kauffman, assistant leader also spoke.

A series of interesting athletic contests were staged. The following carried away the prizes: Potato Race senior Paul Haynes; junior Willard Engle; Egg Race, senior Myrtle Steele, junior Ruthalee Andelman; sack race, senior, Charles Ramsey; junior, Omar Patton; girls throwing contest, senior, Sarah Mary Finney; junior, Marie Moore; boys 50-yd. dash Paul Haynes; girls 50-yd. dash, Alpha Hays.

Ice cream cones were served to the boys and girls throughout the afternoon.

Miss Maude Cox deserves special mention among the club leaders who planned the affair.

**IN SOCIAL CIRCLES**

The beautiful country home of Mr. and Mrs. Hugh Smith of near Good Hope, was the scene of a very pretty party Wednesday evening where Mr. and Mrs. Smith hospitably entertained their many friends.

The first part of the evening's fun took place on the brightly lighted lawn. Later in the evening the guests were ushered into the large drawing room where they enjoyed games and music. Misses Arnold, Rutledge and Mrs. Campbell furnished the music for the evening. Miss Mary Arnold assisted the host and hostess in the evening's jollity.

The pretty pink and white color scheme was carried out in decorations and delicious refreshments.

The guests lingered till a late hour. Those present were:

Mr. and Mrs. Resa Yerian, Mr. and Mrs. Lawrence Garinger, Mr. and Mrs. Hugh Campbell, Mr. and Mrs. H. C. Smith, Mr. and Mrs. Clarence Perry, Mr. and Mrs. Ebon Wood, Alice Mayland, Frances Lytle, Loreah Rutledge, Ruth Junk, Marie Schriener, Elda Severs, Martha Wood, Mary Helen Davidson, Doris Rife, Lela Mae Murray, Mildred Rife, Margaret Steiner, Mary Holdren, Mary Arnold, Esta Holdren, Porter Campbell, Herman McCune, Edgar Campbell, Oliver Wood, John Trimmer, Almer Junk, Carl Schriener, Willard WeWitte, Milton Wayland, Albert Wilson, Frank Holdren, Gale Jones and Dwight Free.

The annual Commencement Ball, given last night in the Pythian Castle under the auspices of the University Club, as a Red Cross Benefit, was the most brilliant affair of its kind, since the long-to-be-remembered Charity Ball of more than a year ago, and a success in every detail.

The Grand Promenade, in which sixty couples of the younger social set of this city and neighboring towns followed the leadership of Mr. W. M. Campbell and pretty daughter,

Virginia, started promptly at 9:00 o'clock.

The pleasing color combination of the dainty spring toilets of the unusually extensive array of pretty girls in attendance, were set off in a striking manner by the mural decoration of flags, red crosses and streamers in the national colors. A large silk flag had been suspended by the corners from the ceiling in the center of the hall in such a manner that it shade the central cluster of lights and shed a mellow glow over a large space underneath. Streamers were festooned from this center piece to the side lights about the hall.

The music, furnished by Parker's Popular Orchestra of Columbus could not possibly have been improved upon. The program was a medley of popular tunes, old favorite melodies, and patriotic airs from start to finish. The syncopated rhythm for which parker's music makers have gained a reputation for themselves, was even more spirited than it has been on past occasion when they have played here.

From 11:00 until 1:00 o'clock, a buffet luncheon was served in the banquet room below. Small tables, each seating two couples were arranged about large center table which held large trays of sandwiches, pickles and olives. A large basket peonies made an artistic center piece for the large table. Crepe bows in the national colors were used as corner decorations for the smaller tables. Harris catered.

Mrs. R. C. Hunt, Mrs. C. Howard Griffin and Miss Ann Saxton were charming as patronesses.

The following committee is to be congratulated: Winchel Craig, James McDonald, Robert Willis, M. W. Claegens, Lawrence Fletcher, Charles Willis, Max Dice, Harry McCoy, Roy Sharp, Albert Briggs, Fred Simpson, Will Minter and Donald Moore.

The out of town guests were: Misses Irma George, Mildred White, and Mary Head, Messrs. George Christopher and Arnold Duncan of Greenfield; Misses Lucia Platt, Helen Kaufman, Messrs. William Williams, Orland Bridgman and Welford Jones of London; Miss Priscilla Wood, Messrs. Link Murphy, Harry Cray, David Shaw and Kenneth Kerr of Wilmington; Miss Mary Clough, of Chillicothe; Miss Florrie Langston, of Darlington, S. C.; Miss Dorothy Smith, of Bainbridge; Miss Mary Shouvin, of Springfield; Miss Nelle McCarty, of Delaware; Miss Elizabeth Jones, of Mt. Sterling; Miss Mary Cunningham, of Stubenville; Raymon Beckel, of Oxford; John Fisher, of Columbus; Henry Grose, close, of Ceres, Va.; Earl Sheppard, of Cincinnati.

Misses Nellie and Candace Haigler gave a "kitchen shower" in honor of Miss Doris Carr, a bride of next week, which was also in the nature of an announcement party announcing the engagement of Nellie Haigler and Mr. Harold Zimmerman.

It was a charming affair, with music, contests pretty decorations and the cordial hospitality of the Haigler home in happy combination.

The Staunton W. C. T. U. held session with Mrs. Chas. Roberts and daughter Miss Blanche, Thursday afternoon.

Miss Elsa Tway conducted devotional, after which there was a preliminary business session.

Mrs. Mattie McCoy played a beautiful piano solo.

Miss Helen Boyer gave a reading "The Lesson of an Egg," and Miss Blanche Roberts a reading "If First Position." A pretty piano solo was played by Miss Dorothy Hoskins.

Miss Elsa Tway gave her name to the membership roll.

An enjoyable social hour closed the session.

The dress rehearsal for tonight's Suffrage play, "How the Vote Was Won," passed off splendidly, the few invited guests enthusiastic in praise of its cleverness.

Miss Ruth Reid will play the incidental music and an attractive bevy of young girls will usher.

Miss Jane Allen Saxton is home from Delaware, having completed her university course brilliantly and graduating with the Cum Laude Degree.

Miss Saxton expects to return to Delaware next fall to continue her studies and take the M. A. degree at the School of Oratory, connected with the O. W. U.

During the summer she will study under Miss Ruth Jackson, Prof. in School of Oratory connected with the university.

Misses Dorcas and Ruth Waters delightfully entertained the girls of Mrs. Scott Hopkins' Sunday School Class with an indoors picnic supper Thursday night.

There was Victrola music and lively contests in which prizes were won by Misses Hazel Patterson and Edna Storer.

Patriotic decorations were used. Mrs. G. W. Waters and Miss Leona Waters assisted.

Miss Helen McKee was the attractive hostess to a musicale Thursday night in compliment to her pretty guest, Miss Mildred Chase of Cincinnati and Miss Louise Arehart, who leaves today for Marshall, Mo., to spend the summer with her sister, there.

The guest of honor, Miss Chase, who has studied violin for several years in the Cincinnati studio contributed several very pleasing numbers to the musical program. Miss Ruth Parrett and Miss Louise Larrimer sang, Miss Margaret Mark played and Miss Helen McKee accompanied Miss Chase.

Pink and white were the colors used very effectively in decoration. Spring flowers were in all of the rooms.

Dainty refreshments were served, the pink and white color scheme being used throughout.

Miss Esther Elders of Anderson, Ind., was an out of town guest.

I will be responsible for any thing dumped on my lot on west Market street that will not decay and be injurious to health.

## Flag Day Address

President Wilson's flag day address, delivered at the foot of the Washington Monument, is another great tribute by that master of language, to the starry banner, its birth, that for which it has stood and still stands as the emblem, the story of great deeds woven into its silken folds by a great people, the ideals, the principles of humanity for the defense of which it is to be sent to Europe and hundreds of thousands, perhaps millions, of our brave men called to defend it and all that it represents.

Millions of oppressed people of many nations awaited the declaration of America with deepest anxiety and hope for some relief. Other millions waited for America to speak through the address of the chief executive the words of cheer and promise of assistance in the great struggle of humanity against autocracy.

America has risen equal to the test. President Wilson has made plain again the position of the United States and reaffirmed the determination to see the struggle through to its end with every ounce of American power.

A warning note to those who would interfere with the great purpose of American manhood in the task of defending the sacred ideals of the republic is sounded.

It is another announcement that there is now no turning back and there must be no divided household.

The flag day address will rank with the other great speeches of President Wilson and serve to strengthen America's cause.

## More Corn Meal

As a means of relieving the demand for wheat it is suggested, among other remedies, that people use more corn meal.

Down east they are making quite a drive to direct the demand of the hotel and restaurant patrons from those products of the kitchen which have as their base the wheat flour to those constructed around a good old corn meal foundation.

Menu cards, in all eating places, those frequented by patrons who have only to cater to their appetites and with whom cost is a matter of little or no concern, clear on down the line to the cheaper places where wall placards are the only bills of fare, contain explicit recommendation of the corn meal products.

The effect is now becoming noticeable too and thousands of easterners are waking up to a realization of the fact that they have been missing something.

Just why any one should have to be coaxed and urged to eat corn meal mush—"hasty puddin'"—corn cakes, corn bread, fried mush or any one of the other score or more of corn meal creations, is a little difficult for us middle westerners to understand.

Out here where we are experts on corn meal and understand just what delicious and wholesome things to eat can be made from it, all we need is more of the old fashioned coarse corn meal.

In our opinion the progressive millers are making corn meal products unpopular by manufacturing a corn flour.

It's a mistake. Corn meal eatables to be good and stick to the ribs must be made of meal about as coarse as fine sand.

Then all the caterers need do is to feed it one time to the patrons. After that they'll "cry for it."

## The Air Raids Again

With the very marked slowing up of the submarine campaign by Germany there has come a very decided increase in the aerial attacks on the English coast section and upon London suburbs.

Just why the German militarists have seen fit to, at this time, shift the ruthless warfare activities from under the surface of the sea to the upper spaces of the air is not exactly plain to the world generally. Expert observers are considerably in doubt, too, as to just what the purpose is. With any other than the Prussian military power the explanation that the whole matter was only a coincidence might suffice but with the German general staff nothing "just happens."

The slow up in the submarine campaign and the revival of the air raids on England are both part of a plan agreed upon after mature deliberation. There is reason for both, sufficient to the German general staff at least. The reason for the slow up in the submarine work may be due to failure of the Germans and the successes of their opponents.

Every indication now, notwithstanding the fact that the allies are suffering, daily, heavy losses by submarines is that the ruthless campaign is being checked.

The horrible and barbaric butchery of women and children and non-combatants by air raids is another proof of that conclusion.

The Germans are not "good sports" and if they are beaten fairly at the game of war they resort to acts of vandalism and savagery in retaliation.

The air raids may be acts of vengeance because they see themselves beaten at the submarine warfare.

## Poetry For Today

## RAPID GROWERS.

There was a little trouble,  
No bigger than a pin;  
It seemed an airy bubble,  
So weak it was and thin.  
And yet, through constant tending  
And feeding it with strife,  
It grew past comprehending,  
Until it spoiled a life.

There was a little sorrow,  
Like those men know each day,  
Which should pass the morrow  
And vanish quite away.  
And yet by always brooding  
Its owner fixed things so  
This sorrow kept intruding  
And laid ambition low.

The moral I've been striving  
To point, with so much toil,  
Is that woes aren't found thriving  
Except in fertile soil.  
For happiness or sadness,  
You have yourself to thank,  
And nursing care brings madness—  
On that you're safe to bank.  
—Richmond Times-Dispatch.

## PERSHING GUEST OF PRES. POINCARE

(By American Press)  
Paris, June 15.—The first day spent in Paris by Major General Pershing was a continuous succession of enthusiastic popular demonstrations given wherever the American commander made an appearance. Hundreds of French soldiers, on leave from the front, mingled in the throngs and gave hearty greetings to the troops of the Second cavalry, who accompanied General Pershing. A large American flag waved over the general's hotel, and everywhere the French and American colors were intertwined.

After a brief ceremony at the Invalides, General Pershing made a formal call on Ambassador Sharp and was then escorted with military honors to the palace of the Elysee and presented to President Poincare. The president and Madame Poincare gave a state breakfast in honor of the American commander. Other guests were Premier Ribot, General Painleve, Marshal Joffre, Minister Viviani, Ambassador Sharp and other prominent figures in official and civilian life.

General Pershing attended a session of the Chamber of Deputies. When he entered the diplomatic gallery with Ambassador Sharp all the deputies arose and cheered. After the general had bowed his acknowledgment, Premier Ribot made a statement on the abdication of King Constantine and M. Viviani addressed the chamber on the results of the French mission to the United States.

## SAYS HER WORK IS EASIER SINCE TAKING TANLAC

Woman Tells How Her System Was Built Up So That She Got Strength to Do Work.

"I can do twice as much housework since I have been taking Tanlac and it seems a lot easier to me now," said Miss Celia Gartley, of Crown Point, O.

"My system was all run down before I took Tanlac. My stomach was all out of order. I had a poor appetite and there were not many foods I could eat without a lot of trouble afterward.

"I was nervous, too, and I couldn't sleep soundly at night. I got up in mornings feeling tired out and I was so weak that I often had dizzy spells during the day. Of course my housework was mighty hard under such conditions.

"Well, since taking Tanlac I have noticed a decided improvement. My stomach is back in good condition now. My appetite is good and I can eat about anything I want without any bad after effects.

"My nerves have been built up and strengthened so much that I sleep soundly every night now and get up in mornings feeling good.

"The truth is that I feel so much stronger and better that I can do twice as much work now as I used to and not feel as tired as I did when I didn't do so much.

"I recommend Tanlac for others who feel run down."  
If you are not feeling right get Tanlac today. Delay in health matters is dangerous. You can get Tanlac at Blackmer & Tanquary's drug store, Frank Christopher's drug store, or C. S. Haver's drug store. advt.

## BRITISH STATESMAN CRITICIZES WORK OF HEALTH BOARDS

(Associated Press Cable.)

London, June 15.—Major Waldon Astor, member of the House of Commons for Plymouth, writes the preface to a report which has just been issued by a committee of Unionist Members of Parliament, appealing for a reform in the present methods of health administration in England.

The responsibility for public health, he says, is at present divided among a bewildering variety of government departments and local bodies. "Health is, in fact, everybody's business in some particular aspect, and nobody's business as a general problem. Consequently, progress is fragmentary and haphazard, and there is no steady momentum or development such as a definite Ministry of Health would supply. Scandalous delays have occurred in dealing with problems of admitted urgency."

He criticizes also the provisions in England for securing industrial health among factory workers. The "experimental science of industrial fatigue," he says, is far less appreciated in English factories than in those of America and Germany.

## B. & O. CHANGES

The B. & O. officials, in connection with announcement at Chillicothe that a new union station would be erected at that point without delay, made the further announcement that present plans include the sending of all B. & O. west bound freight over the local branch of the C. H. & D. to this city and thence over the Midland division of the road.

It is expected that extensive changes will be announced for this city in the near future.

When the work of transferring the freight over the C. H. & D. begins, has not been announced, but there is reason to believe it will be in the very near future.

The C. H. & D. B. & O. and N. & W. will use the new station at Chillicothe which is to be a marked improvement over the present structure.

## MRS. JOHN HURT DIES IN HOSPITAL

Mrs. John Hurt, daughter of Mr. and Mrs. James Snyder, of this city, died in Springfield Friday morning, where she has been confined to the hospital for nine weeks.

The body will be brought to the home of Mr. and Mrs. James Snyder in this city tomorrow evening.

Funeral announcement will be made later.

## FLAG DAY

Loyally the Daughters of the American Revolution plucked their Flag Day celebration from the social calendar where it unfailingly marked in red letters a delightful climax to the year's assemblies and gave it to the public.

The act was in accordance with the moving spirits of the hour patriotism and democracy.

So instead of Daughters and their children gathering for a party they grouped on the Court House lawn and gave to the public the chance to share in exercises specially prepared for the day.

Many responded to the public invitation and fully entered into the patriotic inspiration of the occasion.

There was special appeal in the magnificent silk flag presented to Co. M by the Daughters upon the return from the Border and held throughout the ceremonies by Sergeant Merritt, whose khaki and military bearing left its impression no less than the flag.

Attractive features of the entertaining program were the flag recitations and drills given by children under the excellent training of Misses Pauline and Lucy Edna Fine. The little tots looked so cunning in their costumes of white, waving flags and going through their drills that they drew great applause.

Jean Michael was the dearest of small Red Cross nurses in a recitation and Robert Parrett gave a cute recitation with perfect independence. William McFadden spoke his little speech "The Flag" splendidly and the recitation by Thomas Craig, Robert Parrett, Wilhelmien Sprenger and Jean Bay delighted the guests. Elizabeth Sprenger, an unusually bright girl, recited "The Flag Goes By" and Dorothy Parrett gave a recitation very prettily. Francis Marion Kennedy had been assigned to the "Flag Salute."

Mrs. Wert Shoop's clear soprano was most effective as she sang "Flag of the Free" and every one joined in the opening and closing songs of patriotism.

Miss Mabel Briggs was accompanied.

## NEW HOLLAND BEATS

The "drive" for Red Cross members for the New Holland Chapter, a branch of the Circleville organization, came to a close Thursday night, with a total of 616 members and a fund of \$745.

In this work New Holland is easily the banner Red Cross Chapter in Ohio, no other town of 800 population having such a great membership as that.

The closing scenes were inspiring. Miss Alice Dones addressing the assemblage at the town hall, telling of the Red Cross work in Cincinnati, and the difficulties being encountered in some instances. She told of a few wealthy Cincinnati women who were given work to do, and when the bandages they made came back to headquarters the bandages were filled with ground glass.

George Kirk made a short speech, offering \$25 if anyone else would give a similar amount. In this way \$56 was subscribed in addition to the amount previously reported.

Arrangements were made to include a number of aged women in the chapter, they agreeing to do knitting for the Red Cross, and Dones' store donating the yarn.

Several Circleville citizens were present for the close of the rally.

## CANDIDATES NOW READY FOR RACE FOR NOMINATION

Four Republicans and One Democrat Have the Mayoralty Bee—Several New Names Among List—Evans Only Councilman Not Seeking Re-election.

With the time past for filing nomination papers the complete tickets that will be presented to Washington voters at the primary on August 14th are now known, and four Republicans and one Democrat are after the office of Mayor.

All of the present councilmen are out for office with the exception of Evans, of the Fourth ward. A number of new names appear in the list of entries, while among others are the names of some who have drawn pay from the city for many years.

Inquiry was made as to why a list of candidates for Charter Commissioners had not been filed, but this, it is announced, is not necessary at the present time, as they can be filed later.

Following are the two tickets:

### Republican Ticket.

For Mayor—C. W. Sodders, B. F. Leland, H. C. Shoop, John Oster, Jr.  
City Auditor—Geo. H. Hitchcock, J. J. Flynn.  
City Solicitor—Troy T. Junk.  
City Treasurer—W. M. DeWees.  
President of Council—L. P. Howell.  
Councilmen at Large—Clark Rowe, D. T. Veal, Chas. S. Phillips.  
Ward Councilmen—1st Ward, J. W. Bloomer, Sanford W. Evans. 2nd Ward, Jas. H. Whelpley. 3rd Ward, Chas. N. Himiller. 4th Ward, J. Howard Hicks, William Shoets.

### Democrat Ticket

Mayor—V. J. Dahl.  
City Auditor—Perce Pearce.

City Treasurer—W. J. Smith.  
Councilmen at Large—H. Reno.  
Ward Councilmen—1st Ward, Chas. A. Stafford. 2nd Ward, Geo. A. Melvin. 3rd Ward, Lester Dodd. 4th Ward, E. B. Morgan.  
Assessor, 4th Ward—Thomas L. Collopy.

## BIG ADDITION TO THE WARNER HOUSE

Chillicothe is rushing preparations for her increased population as result of locating the Ohio-West Virginia Cantonment camp at that point, and the Warner Hotel is to be increased in size by the addition of 100 new rooms, and other extensive accommodations made by other business interests in the city.

The big new addition will be erected immediately back of the Katz & Katz store.

Already many persons have flocked into Chillicothe and the town will soon be filled with workmen and heads of construction detachments, as well as Army officers and their wives.

The Central Union Telephone Company is preparing to greatly enlarge its switchboard and will employ 35 operators at the big board. A special cable will be constructed to the camp.

## MORE THAN A MILE OF ROAD FINISHED

More than one mile of the Sabina pike has been rebuilt by Contractors Mark & VanGundy, who have been greatly hampered by the continued rains of the spring.

A large section of the road has been graded and prepared for the new material, and with proper weather the contractors expect to make very rapid headway from now onward.

Some seven miles of the road is to be rebuilt, and, as it is one of the main arteries leading into the city, the rapidity of the work means much to the city and to the convenience of the public.

## B. & O. PAYS \$8500 FOR PASTOR'S DEATH

W. E. Lukens, administrator of the late Rev. Howard B. Cooper, Methodist minister of London, who was struck and killed by a B. & O. train at Derby a few months ago while with Mr. Lukens was crossing the B. & O. tracks at the head of a funeral procession, has made settlement with the B. & O. by the terms of which the road paid \$8,500 for the death of the deceased.

The full amount is to be paid to the widow, Mrs. Grace Cole Cooper.

At the time of the accident Undertaker Lukens and Rev. Cooper were in the Lukens motor hearse, which was wrecked and the corpse it contained thrown out at the roadside. Rev. Cooper was killed almost instantly.

## MARK & VANGUNDY AWARDED CONTRACT

Contractors Mark & VanGundy Thursday were awarded the contract for resurfacing the Devalon road, at a cost of \$3850.

The road is to be resurfaced with asphalt and screenings, making the surface even and waterproof. This work will be taken up within the next few weeks.

At the present time the road is very uneven where the heavy traffic passes over, but a little attention as provided for in the contract will make it virtually as good as new.

# DAHL-CAMPBELL OUTING WILL BE DELIGHTFUL 2000 MILE LAKE TRIP

Party of 1000 Leaves Monday Morning, July 2nd, For The Most Comprehensive and Fascinating Lake Tour Ever Offered Customers and Consumers of the Big Firm.—Anyone Can Go.

**RESERVATIONS NOW NEAR 900 MARK AND ALL WHO HAVE NOT BOOKED MUST LOSE NO TIME**

**Pleasure Seekers To See Chicago in Gala Attire on July 4th, Remaining Over Until July 5th, And Will Visit Beautiful Macinac Island.—Every Luxury and Attention Will Be Accorded All Members of Party.—Opportunity For a Summer Outing, Ideal in Every Particular.**

The itinerary of the greatest outing ever given by The Dahl-Campbell Branch was issued this week, and a host of customers and consumers throughout central and southern Ohio are now looking forward eagerly for the trip, which begins on Monday, July 2nd, and after a thoroughly delightful 2,000 mile lake cruise with visits to the city of Chicago and the lovely Isle of Macinac, Georgian Bay and other points, will return Saturday evening, July 7th.

That the customers and their friends realize the royal treat in store

As indicated in the itinerary, every detail of the big trip has been planned by master minds, insuring the perfect comfort and full enjoyment of every man, woman and child forming the outing party. As usual the trip will be personally conducted by Mr. W. M. Campbell, assisted by 30 salesmen, who will devote their entire time and attention to the welfare of their guests. So complete are the plans that a child could take the trip, unattended.

#### Three Special Trains.

Three special trains will carry the

Branch, including the immense new building which is now nearing completion, and which offers 60,000 additional square feet of floor space for the firm.

#### Luxurious Steamers.

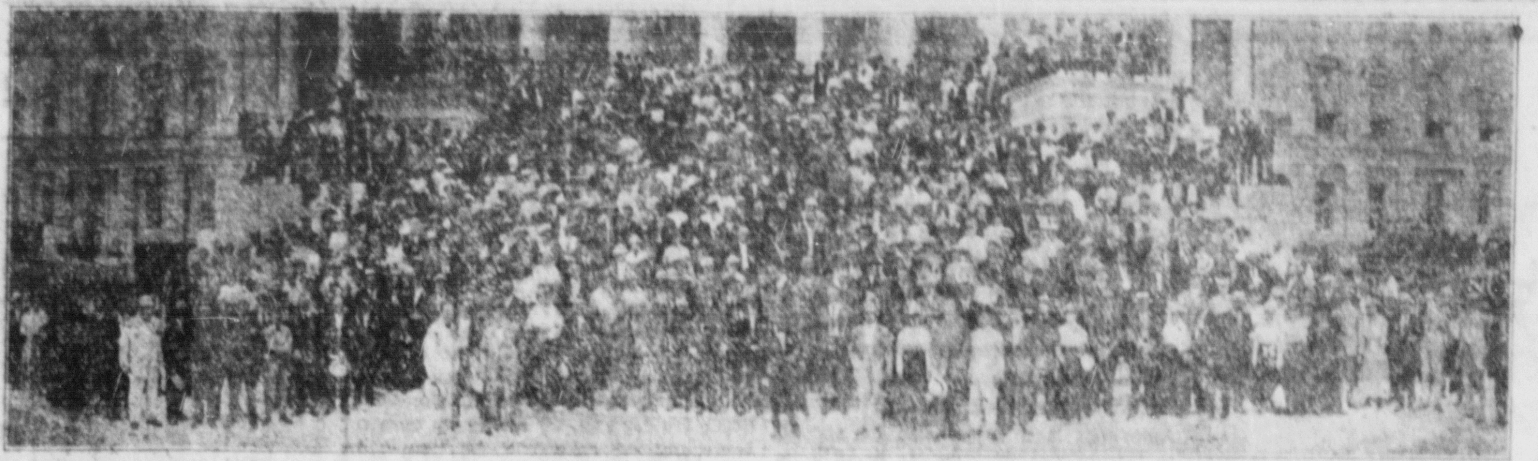

Leaving this city Monday morning the specials will go to Toledo, via Dayton, arriving in Toledo shortly after noon. Here the party will detain and step aboard the North American and South American—the two most luxurious passenger vessels on the Great Lakes. These great vessels are thoroughly equipped with every convenience that heart could wish. Five decks are devoted exclusively to passenger accommodations, and both the boats are new and attractive. The dining service is perfect. Staterooms are large and outside rooms, splendidly furnished. Other features are: electric lights, pure water, richly furnished salons and lounging rooms, especially constructed engines to eliminate vibration, wireless equipment with operator on duty at all times. Easy deck chairs, extra wide promenade decks, ball room, children's open air playground, and each vessel has social hostesses to arrange card parties, dancing, musicales and other forms of amusement and pastime. There will not be a dull moment aboard the boats during the entire trip.

In every respect the vessels are veritable floating palaces which will be thrown wide open to every member of the party.

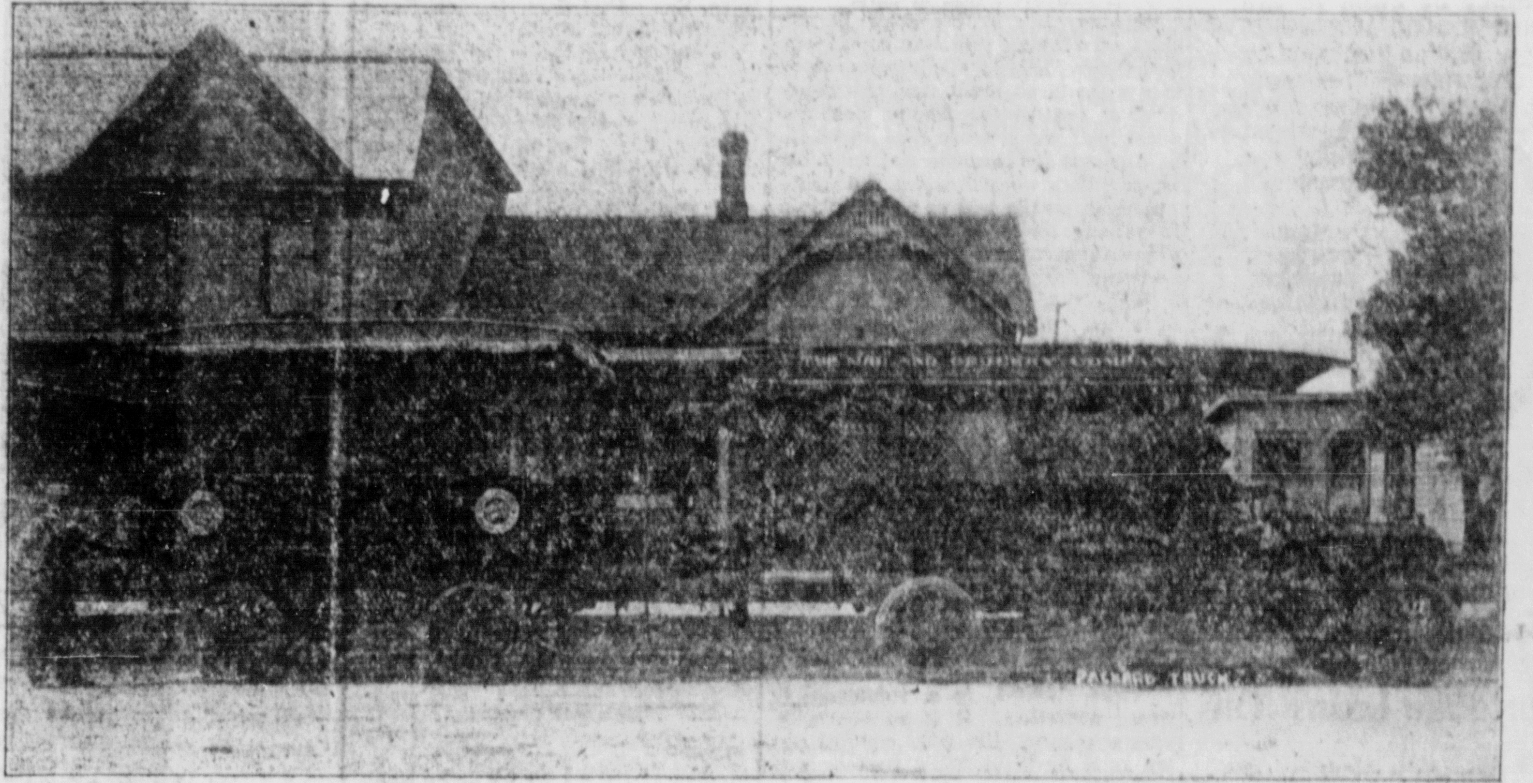

#### Elaborate Menu.

The "ents" aboard these vessels will be the best obtainable and will consist of elaborate menus not surpassed by the largest hotels. Herewith is

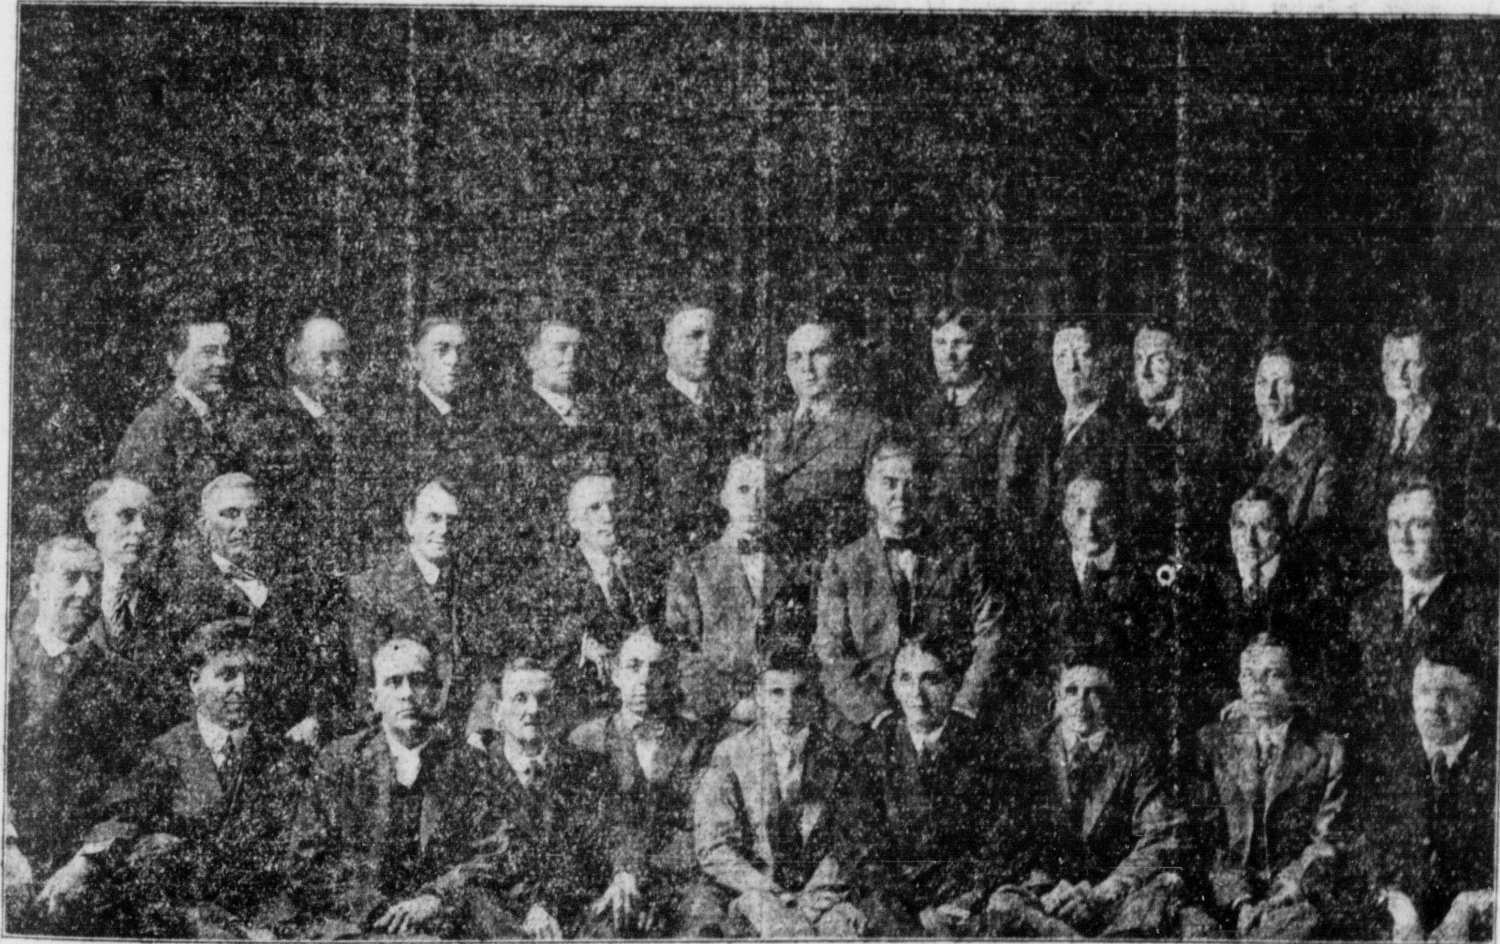

Coffee	Tea	Milk	Baked Lake Trout	Parsley Sauce
Radishes	Stuffed Olives	Roast Milk Fed Ducklings	Mashed Potatoes	New Asparagus
Coney Island Clam Chowder	Fish Dinner, Boston Style	Maraschino Ice Cream	Apple Pie

#### A Wonderful Cruise.

Leaving Toledo about two p. m. Monday the vessels pass out into Lake Erie for the afternoon ride across the lake along the picturesque Michigan shore to the Detroit river, up past Detroit with its wonderful water front on the one side and Windsor on the Canadian side. The vessels then pass Bell Isle, most beautiful park in the world, and then into Lake St. Clair. Going up the St. Clair river past the St. Clair flats the boats will enter Lake Huron under the rays of a full moon for a moonlight trip. After six o'clock dinner there will be music, dancing, cards and other entertainment of various kinds.

Tuesday will be a day of rest, when all will drink deep of the manifold joys of a lake trip. Most of the day will be spent steaming near the Michigan shore, passing through straits of Macinac about 5:00 p. m. thence into Lake Michigan, greatest of the Great Lakes.

#### See and "Taste" Chicago.

Another moonlight night will be spent on the bosom of Lake Michigan, and the next day, July 4th, about 2 p. m., the boats will dock at the foot of Michigan avenue and the party will tour the city of Chicago, making the trip by limousine and touring car, visiting the beautiful parks, Old World's Fair Grounds, and over miles of magnificent boulevards, through the business and fine residence districts, winding up at White City in the evening, where an elegant "get-together" dinner will be served at the famous Casino. After dinner the party will find countless amusements awaiting them. After doing White City and watching the big fireworks display,

#### Other amusements.

Thursday morning will be devoted to visiting the shopping district, Union Stock Yards, or other points desired by the various members of the party, affording everyone an opportunity of seeing Chicago thoroughly.

Watch Chicago Fade Away. Shortly before noon on Thursday, July 5th, the boats push out into Lake Michigan for the delightful return voyage, and the sky-scrapers of Chicago will gradually fade into the horizon. This part of the trip, with its numerous islands and distant shores, is very attractive and interesting.

Early after breakfast on Friday morning the party will visit the fairy Isle, Macinac, and the stay will be ample to see the entire island and its numerous beautiful and historic attractions.

Leaving Macinac the boats once more pass into Lake Huron, amid the countless green-clad islands of upper Huron, will skirt scenic Georgian Bay on the Canadian side, then down toward the "City of The Straits," passing Detroit Saturday morning and after a trip through the straits and over the island-covered western end of Lake Erie, to Toledo, arriving there at the noon hour and entraining for home, arriving late in the afternoon after one of the most wonderful outings ever conceived.

Only those who have been upon the Great Lakes can realize the attractiveness of such a trip, and know of the invigorating air, the beauty of the waves, green-clad islands, passing steamers, the busy sea-gulls, and the thousand other things which combine to drive care and business worries to the four winds and leave perfect contentment.

#### Children Go This Year.

A departure which is proving popular among the patrons and customers of the firm is the provision made for taking children on the trip, special attention being given to the welfare of the small boys and girls who are members of the party, and the rate for these youngsters is half that of the adult.

#### Trips Increase in Popularity.

From year to year the popularity of the trips has increased by leaps and bounds, and the 21st annual outing stands abreast of all others for genuine restfulness, pleasure, sight-seeing, mingling with old friends and making new ones, and while the price of tickets is only \$35, the same trip, if taken separately, would cost in excess of \$100 and would not be half so delightful as the personally conducted tour with the firm assuming all responsibility and in charge of details. Rules of previous outings govern the tour this year.

The handsome 130 page catalog of the trip is mailed to all who are interested in this delightful week's lake trip.

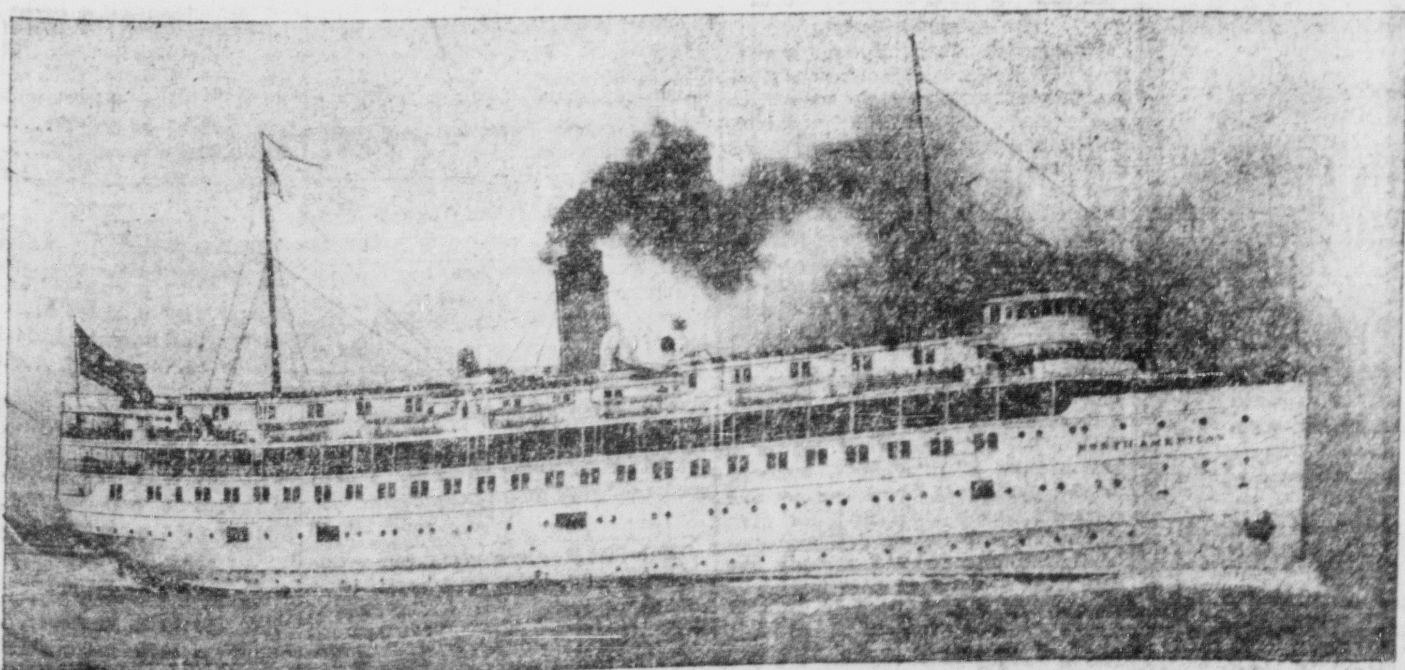

#### Many Local Citizens Book.

A great many Washington and Fayette county citizens will again be members of the party this year, well knowing the royal pleasure trip ahead of them. Anyone can go.

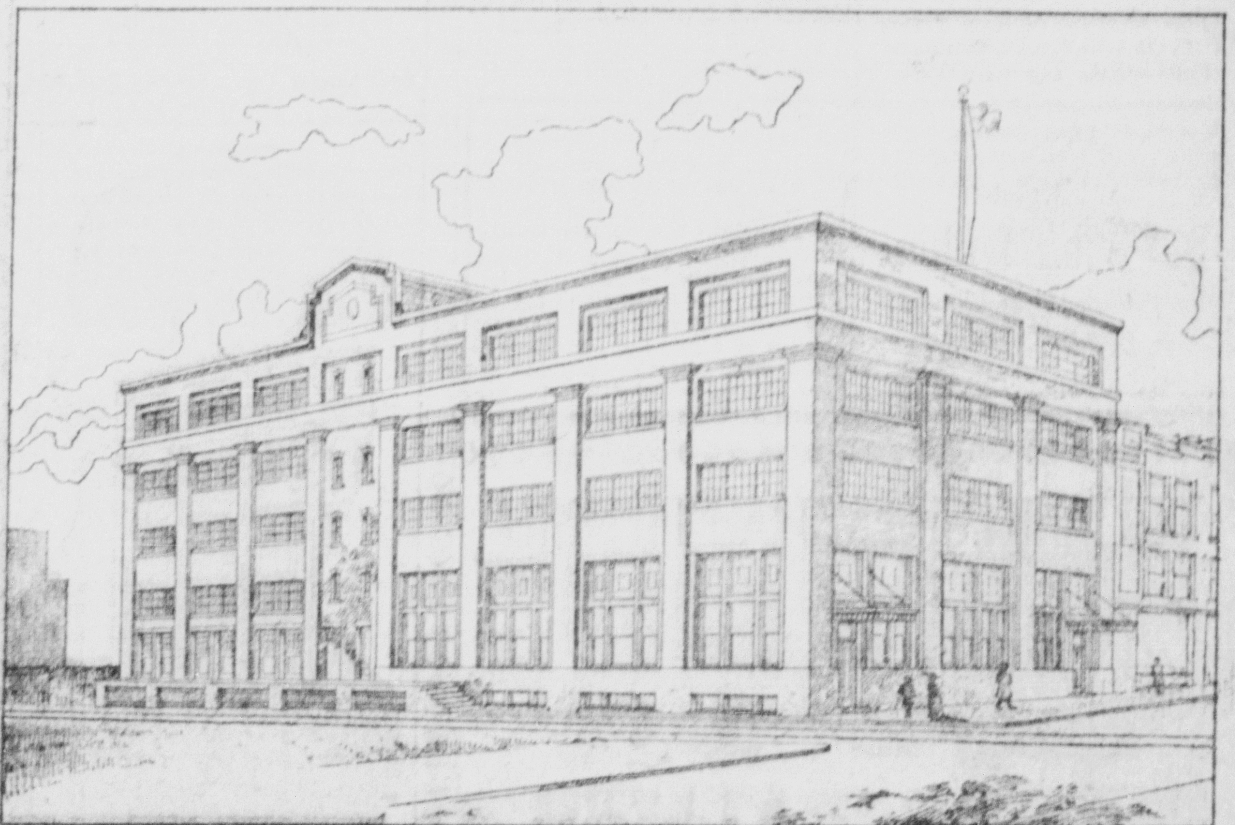

The outing party will be the largest leaving Ohio this year.

#### New Loan to British.

Washington, June 15.—An additional \$25,000,000 was lent by the government to Great Britain, bringing the total British loan up to \$500,000,000 and the total for all the allies up to \$948,000,000.

URGES HELP FOR RED CROSS

(By American Press)

Lincoln, Neb., June 15.—Speaking at the semi-centennial celebration of Nebraska statehood here, Colonel Theodore Roosevelt declared that the American Red Cross will be second in importance only to the army as a factor in winning the war.

The colonel appealed to the nation to give generously and speedily to the \$100,000,000 war fund which the war council of the Red Cross is to raise for immediate Red Cross needs next week.

Urging the whole country to support the most splendidly constructive work that ever confronted a nation, Colonel Roosevelt said in part:

"Second only to the army in the work of winning this war comes our Red Cross. Indeed, the importance of this work is so great that the president of the United States has set apart next week, from June 18 to 23, as a period for sacrifice and unselfish generosity, a week in which the whole American people will be asked to join in raising funds to enable our Red Cross to perform its vast and indispensable duties in this war.

"That these duties may not only have the support of our hearts, but that the gifts of our people may be made effective may be put to the best possible use, the president has also commissioned several of the ablest business men of the country as a war council of the Red Cross to administer this service on behalf of a stricken world. This war council has already made far-reaching plans. They tell us that a fund of \$100,000,000 must be raised at once in order to meet even the most urgent needs. That fund we are asked to raise for this work of sacrifice and consecration.

"Here, indeed, is a summons to every American. It is an enormous sum of money. But what comfort can we take in withholding that or any other sum of money if it is needed to relieve the suffering of our own sons or the sons of our allies who are fighting for all that makes life worth living?

Own Sons Involved. "We little realize what is before us. Our own sons and brothers will soon be going into battle. They will be 3,000 miles from home, in a land already wasted by war, a land threatened by famine, a land smitten by disease. They tell us that in many cases, today the wounds of soldiers in France must be tied up with newspaper for want of the necessary surgical bandages. When our own men are wounded, as they surely will be in great numbers, are we going to allow them to suffer yet more because we fail to provide those things? Surely not! But we must do it in advance. If we wait it may be too late. Do it now! Nineteen-tenths of wisdom is being wise in time.

"France, proud, brave, bleeding from ghastly wounds, needs us sorely. Tuberculosis is raging throughout her land. Fifteen hundred of her towns and villages have been razed to the ground by the calculated barbarity of the invaders. Millions of her people are homeless and starving, bereft even of the barest coverings for their bodies of stoves, of utensils with which to cook or eat, of agricultural implements or animals—indeed, of the simplest elements of civilization. And to us alone can those people come for help. We alone have the abundance with which to supply their direct needs.

Should Be Generous. "To Russia, too, we must reach out our helping hand. We little know what she has suffered and is suffering. Her soldiers went into battle ill equipped with arms and ammunition. Of medical supplies she had almost none. To care for her wounded on a battle line of 1,000 miles she has but 6,000 ambulances, while France has 64,000 in a battle line of 400 miles, and even that is not enough. Russia, long obedient to autocracy, has not finished in this conflict. Her people have had to struggle not only to free the world from autocracy, but to make their own land a land of liberty. Russia needs all we can do to strengthen her courage and to make her feel that we are indeed behind her. Our Red Cross alone can take into Russia the message of hope, of help, of confidence, which she so terribly needs. The message must be practical. It must carry deeds and not merely words, and it should be carried at once.

"So let this summons to our people for a week of sacrifice and generosity be not in vain. Let Red Cross week be a week wherein the whole American people shall pledge to the service

of a great cause both themselves and their possessions. Equip the Red Cross for the beginning and for the carrying through of as sacred a mission as was ever undertaken in behalf of a suffering world."

SITES PICKED

(By American Press)

Washington, June 15.—Four sites for war army divisional cantonments were approved by the war department, completing the list of sixteen points at which military towns are to be built by Sept. 1, when the first draft troops will be called to colors. Each cantonment's full division will be given its preliminary training before being sent to Europe for final instruction behind the fighting lines. They will be located as follows:

Ayer, Mass.; Yaphank, Long Island, N. Y.; Wrightstown, N. J.; Annapolis Junction, Md.; Petersburg, Va.; Atlanta, Ga.; Columbia, S. C.; Chillicothe, O.; Louisville, Ky.; Battle Creek, Mich.; Little Rock, Ark.; Rockford, Ill.; Des Moines, Ia.; Fort Riley, Kan.; Fort Sam Houston, Tex.; American Lake, Wash.

In addition to these the following six of sixteen camp sites for divisions of the national guard have been formally announced: Fort Worth, Tex.; Houston, Tex.; Fort Sill, Okla.; Deming, N. M.; Linda Vista, Cal.

BETTER RELATIONS SOUGHT BY JAPS

(By American Press)

Tokyo, June 15.—Viscount Kikujiro Ishii, formerly foreign minister, has been appointed chief envoy of the Japanese commission which is to visit the United States for the purpose of arranging co-operation between the two nations in the war. It is understood the commission will discuss all questions relating to prosecution of the war, including defense of the Pacific, and at the same time endeavor to enhance the friendly relations between Japan and the United States.

Colonel Vanderbilt's Regiment Ready First in New York

COL. CORNELIUS VANDERBILT

The place of honor in the race to full war strength by New York's national guard organizations that are being made ready for service in France was won by the Twenty-second regiment of engineers. Colonel Cornelius Vanderbilt reported that he 37 officers and 1,061 men had been mobilized at the regiment's armory in accord with Governor Whitman's orders.

Colonel Vanderbilt took command of the Twenty-second in December last. The regiment had been on the border, commanded by a regular army officer, and had made a record for efficiency, even if considered only as a body of infantry.

Regular army officers said the regiment will not need much intensive training before going to France. One battalion is schooled in road repairing and trench work. The other has made a specialty of bridge building.

Colonel Vanderbilt has been in the New York national guard for more than sixteen years.

Ohio's Crop Acreage. Columbus, June 15.—Ohio has 574,323 acres planted in wheat, as compared to 471,361 last year, reports of county auditors to the state tax commission show. There are 1,146,525 acres in corn as compared to 1,064,053 in 1916; 520,091 acres in oats as compared to 537,521 the year before, and 20,823 acres in potatoes as compared to 31,122 in 1916.

Pittinger Heads Veterans. Akron, O., June 15.—State Grand Army veterans elected W. A. Pittinger of Dennison department commander for Ohio by acclamation. Hamilton was selected as the site of the next convention. Other officers named were L. C. Gibbons, Akron, senior vice commander; C. O. Palmer, Dayton, junior vice commander; Dr. John L. Adams, Cincinnati, commander of the medical department, and Rev. Edmund Bardsall, Winchester, chaplain.

No Bids on 17 Contracts. Columbus, June 15.—On sixty-two contracts for the construction and repair of roads, only forty-five bids were received. This leaves seventeen proposed contracts without bidders. State Highway Commissioner Cowen explained this condition was due largely to the fear of contractors that, under freight congestion conditions which have obtained this spring, they will be unable to obtain materials. The difficulty of getting labor also is a consideration, he said.

Save Your Worn Tires. It is a needless and extravagant waste to throw away your treadworn and rutworn tires after getting only 3,000 to 5,000 miles of service out of them. Engineers of world-wide reputation and over a hundred thousand practical hard-headed 'show me' American motorists have put their approval on GATES HALF-SOLE TIRES. The tires on your car that are beginning to show wear after only 3,000 to 5,000 miles can be made to give you not only double mileage, but better service than you ever had before. Every Gates Half-Sole Tire carries a written guarantee for Not Less Than 3,500 Miles of Service Without a Puncture.
